Notification of acceptance

**September 30, 2017**

Conference registration

**Industry Poster Session****at the International Conference on Smart Systems  
and Technologies 2017 (SST 2017)**

SST 2017 conference will host an Industry Poster Session on Thursday, October 19, 2017 from 15.00-17.00h. The Industry Poster Session will take place at the SST 2017 conference venue – the Hotel Osijek in Osijek, Croatia.

The Industry Poster Session provides an opportunity for companies to present their work in the areas of ICT related to the SST 2017 conference topics to a wider community of researchers from academia and industry. This session aims to encourage interaction and networking among companies and researchers, as well as the audience.

The posters will be on permanent display throughout the conference, which will provide a platform for continuous interaction between the authors and the conference attendees during the course of the conference. Company representatives will be required to attend the posters during the designated time for Industry Poster Session on October 19, 2017. All companies will receive a certificate (gratitude letter) for attending and contributing the SST2017 conference and research community.

The poster should be formatted according to the SST Poster Session template available [AT THIS LINK](#) in standard A1 paper size (594 x 841 mm, portrait orientation) and submitted electronically before the poster submission deadline via the SST2017 on-line submission system available [HERE](#)

To keep within the time limits of SST Industry Poster Session as a whole, the number of SST posters will be limited. All submissions will be reviewed by the SST Industry Session Organizing Committee based on relevance to the conference, innovativeness, and quality of presentation.

After the Poster Session round table will be held on the topic "Knowledge transfer from a faculty to industry" and all company representatives are invited to participate. **For authors of accepted posters, the SST Industry Poster Session registration fee is 100 EUR and it includes:**

- 1) SST Industry Poster session participation
- 2) Poster printing (A1 size)
- 3) Best Poster Award (The best poster will be selected by a panel of academic and industry representatives)
- 4) Full access to other SST2017 conference sessions during that day: coffee breaks, conference luncheons, reception
- 5) City Tour
- 6) Conference gala dinner
